How to Share Pictures on BlackBerry Messenger

In BlackBerry Messenger:

1. Select a friend.
2. Use the BB menu key and choose **Send Picture**.
3. Select the picture to send to your friend.
4. Once your friend accepts the send request, the file is sent.

From Pictures folder:

1. View pictures from Media Player or Camera.
2. Select the picture you want to send.
3. Use the BlackBerry menu key and choose **Send or Share** or **Send to Messenger Contact**.
4. Select your desired friend or BlackBerry group, and send it off!

You can also share all types of files like music, pictures, voice notes, or documents in a similar way! Methods of transferring may differ between handheld software versions.
